

Supporting education is one of the many ways the Priest Holmes Foundation helps young men and women maximize their potential. Through the 2010 Scholarship Program, the foundation seeks to give financial support to students who have shown a commitment towards continuing their education. Though the criteria may differ slightly, the scholarships all recognize extraordinary achievement, leadership, and talent. The requirements for awards vary from financial need to academic/community achievements.

## **Scholarship Requirements**

**To qualify for scholarship eligibility applicants must meet the following requirements and supply the documentation requested below:**

1. Student Application signed by applicant and parent or guardian if applicant is under age 18.
